

Exercise 2 (for Erasmus students only)

This exercise is based on one designed by Ingmar Steiner. Please leave enough space for me to correct and comment on your answers. And don't forget your name!

1. Transcribe the following word pairs, paying particular attention to the quality of the unstressed vowels. If you look them up in a dictionary, pay special attention to, and if present correct, possible deviations from the IPA standard.
 - a. negotiation negotiator
 - b. fantasy fantastic
 - c. medicine medicinal
 - d. Arabic Arabian
 - e. horror horrific
2. Transcribe the following text, paying special attention to weak-form and linking phenomena (please mark the accented syllables with [']):

Wherever mountains reach the sky above,
on icy, starry nights in Summertime,
the frigid air appears to flow away.
